Our President, Larry Maurer and Thermal Concepts are Generals of the local Boys & Girls Club. At a recent event, we participated in fundraising of over \$312,500 for the organization. We were sent the following message and video (still photos here). This is why we give back....“special thanks for the role you play in helping us do whatever it takes to support and serve our 12,300 youth. We can proudly say that 100% of the proceeds benefit the organization in shaping futures.”

Congratulations to Top Guns this Quarter! JOHN HUGES AND MARLON CHAMORRO

Email received from a satisfied customer, Crescenzo Saviano:

“Good afternoon Mark, I am sending this email in regards to Johnny and Marlon. They have spent a few days here working on the skywalk units, and I really just say that these two mechanics never disappoint us with the professionalism, outstanding house keeping ,knowledge, hard work, devotion and respect. Whether they are together or as individuals they carry the up most transparency any customer could every hope to get. They display a great reputation for thermal concepts and for us that goes a long way!!! Thank you for the service they provide and demonstrate!!!”

Congratulations to Daril Gomez!

Daril received a high test score and is now a registered licensed Mechanical Journeyman for Broward County.

Spotlight: Troy Billiot, Account Executive, Thermal Concepts

Troy joined us in January, 2021 and has over 37 years' experience in the HVAC business and is a member of ASHRAE and FHEA. Troy loves spending time with family and friends and most proud of his children and grandchildren. His hidden talent is playing the piano and hopes to visit the Grand Canyon. Sports is a passion; his favorite college football team is LSU and his wishful dinner guest is Drew Brees.

We held a tree planting of a “Tree of Life” on Friday, April 30 on Arbor Day to remember those employees who have passed away over the 38 years that we have been in business and to do our part in helping the environment. The Tree of Life is considered one of the strongest trees, it provides plenty of oxygen, and is symbolic for the renewal of life. **Thank you to Larry and Allen!** And thanks to William, Joe and Mike of Cutters Edge.

In memory of Thermal Concepts employees who have passed and to commemorate Arbor Day, this Tree of Life is planted to represent renewal of life and growth.

NEXT CLEAN UP EVENT TBD — Please volunteer!

TCI has adopted a portion of Griffin Road just east of University. All employees and their family members are welcome to help with the highway clean ups. You can expect to have some fun with your fellow co-workers while also doing your part for the community. Service hours are given to any students who volunteer. Please contact John Hall at x255.
